FYI, just so you don't think that this permit action has been forgotten.

Thanks.

Dino,

At this time we are still working on refining the Statement of Basis and Permits for Meyer. Apart from that I do not have any updates to provide at this time.

Thanks for checking in on this-

Hello,

Just checking in to see what the status of the Meyer permit is. Let me know when you are ready to share the predraft permit with us for our review and comment.

Thanks.
